

std::true_type

The diagram consists of two rectangular boxes. The top box is white with a black border and is divided into three horizontal sections. The top section contains the text 'std::true_type', while the middle and bottom sections are empty. The bottom box is gray with a black border and is also divided into three horizontal sections. The top section contains the text 'wjr::is_trivially_allocator' followed by a line break and '< std::allocator< T > >'. The middle and bottom sections are empty. A blue arrow points from the top edge of the gray box to the bottom edge of the white box, indicating an inheritance relationship.

wjr::is_trivially_allocator
< std::allocator< T > >
