

std::false\_type

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'std::false\_type' in its top section, with two empty sections below it. The bottom box is gray with a black border and contains the text 'wjr::optional\_detail' followed by '::is\_not\_optional< optional' and '< T > >' on separate lines in its top section, with two empty sections below it. A blue arrow points from the top of the gray box to the bottom of the white box, indicating an inheritance relationship.
